A big thank you to all those who contributed to making Cross Country such a successful day. Much credit must go to Sonya Bates who did an amazing job pulling everything together. With fear of forgetting someone, thank you also to:

- Helen in the canteen for the incredible job to manage BBQ, lunches, drinks etc and Georgie Fitzgerald and parent helpers.
- Trevor for prepping the grounds and setting up, packing up and helping on the day with Carly in the support vehicle.
- Rob Sandercock for helping with setting up and pack up, helping at the finish line and his wisdom and support on and before the day.
- Ange for organising training, preparing the runners, start/finish line and paperwork.
- Checkpoint helpers: Andrew Dolan, Megan Hurrell, Flee McArthur, Karel Gerritsen, Kelly Gale, Kris Kanehara, Julia Hage, Helen Inverarity, Michael Riley and Lou Riley.
- Sonya, Belinda, Romi and Fiona for their admin support and Tim for holding the fort back in the office.
- Sam G, Andrea, Katharine Legoe, Emma Rasheed, Matt Willson and Jane Woosnam for finish line duties.
- Yr 5/6 students for helping with set up and pack up.
- All the staff for their support organising and / or supporting the runners.

A day like this can't happen with-out all the support of many hands!

Technology Upgrades

As well as the new Education Management System (EMS) coming in, we have been automating other areas and adding technology across the school. The interviews were run via an online system this year as part of the changes.

Last term we took delivery of 40 new student laptops to distribute across our Yr 5/6 classes so that they have their own device to be able to access at school. Remaining devices will filter down to Yr 3/4 to increase their device ratio.

Other upgrades include:

- Replacement microphone and Bluetooth music system in the hall
- Laptops for all teaching staff

It has been a positive start to the term as our students have settled back into classroom routines. The Literacy PD at the end of the term was hugely beneficial in training all staff in the routines for the R-2 literacy program (Read, Write, Inc) as well as building on this and linking with the Yr 3-6 Spelling and Morphology program. The upskilling will ensure consistency across the school and lead to improved reading, spelling and language conventions results.

Cross Country

On Friday we hosted over 850 students plus teachers, parents, friends and families for the 38th running of the South East Cross Country.

Naracoorte Primary School had 78 runners ourselves which is a large contingent for a school our size. We had some great results on the day. Photos and results are included further on in the newsletter.

Coming soon:

- Sign in /out kiosk in the front office
- EMS digital student report for mid semester distributed digitally

Pre-Service Teachers and Staff Updates

This term we have 3 UniSA preservice teachers undertake their first practicum at Naracoorte PS. We welcome Poppy Moyle-Read (Yr 5/6 Hallett), Amelia Henry (Yr 5/6 Turci/ Burrows) and Liam Nott (Yr 1/2 Wirper/ Andrews).

They will be here on Thursdays initially before spending all of week 6 here. We hope they enjoy their experience here.

In other staffing news, Kym McRostie will be on leave for the remainder of the term. Trevor McArthur has stepped back in to cover in the interim. Thank you to Trevor for doing this at short notice.

We are also looking for someone to assist with running the canteen two days a week to support Helen. It would be 13 hours per week initially with the potential to increase. If you are interested, please contact Tim for more information.

Camps

School camps are an important part of the primary school curriculum and also create memories that last well beyond Yr 6. Over the past few years COVID and Yr 7 to high school has impacted on our usual camp structure. In order to 'reset' the program and ensure certain year levels don't miss out, we will be holding three camps this year. These will be:

- Yr 6 – Adelaide Urban Experience – September 17-20
- Yr 5 – Pax Hill / Ballarat, Victoria – September 17-20
- Yr 4 – Tarooki, Robe – November 27-29

We know that this may put financial strain on some families so we are giving advanced notice of these camps. Whilst we try to keep them affordable as possible, rising cost of living is reflected back on camp prices.

In future years, we will return back to a year on, year off program with camps in Yr 4 and Yr 6, and possible day experience in Yr 5.

School Calendar

Term 2 is a busy term already! We have a calendar at the end of the newsletter that has all the important dates to keep on top of. A few reminders:

Wednesday June 5th – 6pm New mid year reception Parent Information Night

Monday June 10th- Kings Birthday

The next newsletter will be in Week 6.

STUDENT LEADERSHIP CONFERENCE

Last week, our School Captains attended the GRIP (Generosity, Responsibility, Integrity, People) Student Leadership Conference at the Sir Robert Helpmann Theatre. The conference was filled with high-energy and exciting activities, as well as inspiring moments. After attending the conference, the students left feeling enthusiastic about their responsibilities and full of new ideas about how they can work together to implement exciting plans.

EGG DONATIONS

Do you have some eggs that you can donate??

We would like to make some brownies for the upcoming Biggest Morning Tea at the end of May.

If you have some, please bring to the front office.

Thank you

ANZAC DAY SERVICE

During the holidays, our school captains and choir represented NPS at the Dawn Service to commemorate ANZAC Day on 25th April 2024. The School Captains laid the wreath while the choir sang "For Love of Country." Isabelle and Mia read the "Prayer for Remembrance." We would like to express our gratitude to all the students who made the early start and attended the ceremony. Thank you to Cathie Biggins for conducting the combined choir. Well done!

Aunty Michelle Visit

♥ Last week and this week we have had Aunty Michelle visiting NPS to do workshops with all classes to increase our understanding of Aboriginal cultures and in particular our local Country.

♥ Last week, she saw all Reception and Year 1/2 classes. Staff and students alike enjoyed this insight into our history, and there are many available avenues for follow up by teachers at a later time.

♥ We would like to give a huge dudu (thank you) to Aunty Michelle for sharing her knowledge with us!

SWINGING WITH THE STARS - FUNDRAISER

At the end of last term, the School Captains and SRC organised a fundraising event where everyone had to dress up as something starting with the first letter of their name. The aim was to raise funds to support Ella Boston's (ex NPS Student) Swinging with the Stars campaign for the Stand Like Stone Foundation. We raised \$322.65 and had a lot of fun during the event. There were so many amazing costumes that everyone enjoyed. Thank you to everyone for supporting this event.

LUNCHTIME IN THE LIBRARY

STUDENTS HAVE STARTED MEETING IN THE LIBRARY AT LUNCHTIME FOR DRAWING CLUB ON TUESDAYS AND UNO CLUB ON WEDNESDAYS

EVERYONE WELCOME

Term 2 is here! I have enjoyed hearing from lots of students about their holidays and what they got up to on the break. I hope everyone found some time for a little rest and relaxation ready to head into a busy term 2. There's already a lot on the calendar including Cross Country last week, run club, school footy & netball, Aunty Michelle visits and basketball with Matho. We have hit the ground running for sure!

Circle of Security

Local Paediatric Occupational Therapist, Megan Heffernan, is running Circle of Security Parenting Workshops soon. I did these workshops a while back and found them incredibly insightful to reflect on my teaching practices and how to improve my relationships with students. I would highly recommend for anyone wanting to know how to support and strengthen adult-child relationships. Please see the attached flier for more information.

LEARNING OBJECTIVES OF THE PROGRAM:

-  Understand your child's emotional world by learning to read their emotional needs
-  Understand how your child may communicate these needs through their behaviour
-  Support your child's emotional regulation
-  Support the development of your child's self esteem
-  Experience more confidence and clarity in how to respond to your child's needs
-  Honor your innate wisdom and desire for your child to experience security in their relationship with you and others

Smiles All Round Workshop

Local Psychology and Counselling Service, Smiles All Round, ran a workshop for around 40 of our teaching and support staff yesterday afternoon. It helped us to gain a deeper understanding of brain science and managing emotions which will help us to support our students in the best way possible. Having this 'Team Around Child', evidence-based approach helps us to understand and work with our students in a positive and

consistent way. Thank you to L-J and Gez for delivering such an engaging session!

2024 Wellbeing and Engagement Collection

All year 4 to 6 students will be participating in the annual Wellbeing and Engagement Collection (WEC) that runs from Monday 6th May – Friday 31st May. This is an online survey that collects self-reported information on students' wellbeing both inside and outside of school. The questions are divided into 4 main parts - emotional wellbeing, engagement with school, learning readiness and health and wellbeing outside of school. They will be supported by their class teachers and myself to do this at some stage over the next few weeks. A parent letter has been emailed with more information.

Walk to School Day

On Friday some of our students participated in the Walk to School Day. We walked from the Sound Shell in the Town Square to NPS. Well done to everyone that participated, it was a fun way to start the day!

COMMUNITY NEWS

I'm reaching out to make you aware of my aspiration to establish a [Miniroos](#) match program in the Mid/Upper South East.

Currently, the Upper South East does not participate in the Limestone Coast's main Miniroos program, which is located in the Lower South East.

Millicent United, Naracoorte United and I are keen to begin providing a match program in the Mid/Upper South East, with the ambition being to host a game day once per month for kids from Kingston, Robe, Bordertown, Naracoorte, Millicent, and other areas of the region.

This would include a carnival-style game day where kids would be assembled in teams and play against one another throughout the day at a rotating ground, located across the Mid/Upper SE.

I'd like this to be a registered program that allows kids to use their [Sports Vouchers](#), with kids receiving equipment from Football SA – a ball, shin pads, boot bag, etc. – as part of the program, and their insurance via Football Australia.

MiniRoos is the country's main entry point for youngsters to try football (soccer) for the first time, and it's all about playing games. Unfortunately, due to the lack of a games program in the Upper South East, kids are missing out on the most enjoyable part of playing this sport.

ABSENCE FROM SCHOOL

If your child is away, it is important that you notify the school, either by a written note, Audiri e-form or phone call, explaining their absence. It is a legal requirement that we contact you if your child is away for three days in a row and we haven't heard from you.

CHANGE OF DETAILS

Please notify the NPS Front Office if you have **changed** your contact phone numbers, address, email address, emergency contacts etc. It is important that we are able to contact you if needed.

Collecting a Student

If a student is getting collected from school **during school hours by someone other than a parent**, please notify the teacher and front office staff who it will be and what time. It is important that this is done or we cannot let the student leave.

Thank you.

Circle of Security Parenting

TERM 2, 2024

DELIVERED BY MEGAN HEFFERNAN,
PAEDIATRIC OCCUPATIONAL THERAPIST AND
CIRCLE OF SECURITY PARENTING FACILITATOR

At times, as parents we may feel lost or without a clue about what our child might need from us, and making sense of what feels like challenging and baffling behaviours adds to the exhaustion.

Imagine what it might feel like if you were able to make sense of what your child was really asking from you. **The Circle of Security Parenting™** program is based on decades of research about how secure parent-child relationships can be supported and strengthened.

To connect with some of the foundations of this program, please click the link below and scroll down to an introductory video.
